Werken met de Divi Builder

Pagina's aanmaken

Klik op **Pages** > **Add new**

EENMALIG: klik op **Screen Options** en vink opties uit zoals hieronder (dit blijft gelden voor alle toekomstige pages)

The screenshot shows the 'Screen Options' panel for the 'Add New Page' screen in WordPress. It is divided into three sections: 'Boxes', 'Layout', and 'Additional settings'. In the 'Boxes' section, 'Divi Page Settings' and 'Page Attributes' are checked, while 'Featured Image', 'The Divi Builder', 'Excerpt', 'Custom Fields', 'Discussion', 'Comments', 'Slug', and 'Author' are unchecked. In the 'Layout' section, '1 column' is selected and '2 columns' is unselected. In the 'Additional settings' section, 'Enable full-height editor and distraction-free functionality.' is checked. At the bottom, there is an 'Edit Page' link and an 'Add New' button. A 'Screen Options' dropdown menu is visible in the bottom right corner.

Resultaat

Klik op *Pages*

Je hebt nu een overzicht van alle pagina's en subpagina's in een overzichtelijke volgorde.

Muis over een titel, klik op *quick edit* om titel, parent, volgorde of permalink aan te passen

Menus aanmaken

1. Klik op **Appearance > Menu**
Vul de naam van het menu in, bijv. 'Hoofdmenu' en klik op **Save menu**
Vink daarna 'Primary Menu' aan en save nogmaals
2. Selecteer in de linkerkolom de pagina's die je aan het menu wil toevoegen klik op **Add to menu**
3. Drag en drop de menu items zodat ze in de juiste volgorde komen. Klik op **Save Menu** en controleer of het menu op de wet

The screenshot shows the WordPress Menu editor interface. At the top, there is a text input field labeled 'Menu Name' containing the text 'hoofdmenu', followed by a green 'Save Menu' button. Below this is the 'Menu Structure' section, which includes the instruction 'Add menu items from the column on the left.' and a list of menu items (not fully visible). The 'Menu Settings' section contains three options: 'Auto add pages' with a checkbox and the text 'Automatically add new top-level pages to this menu'; 'Display location' with three radio buttons labeled 'Primary Menu', 'Secondary Menu', and 'Footer Menu'. At the bottom left, there is a red 'Delete Menu' link, and at the bottom right, there is another green 'Save Menu' button.

This screenshot shows a design tool interface with a teal background. On the left, there is a vertical toolbar with icons for undo, redo, and a close button. The main workspace contains a horizontal row of modules. At the top, two dark grey 'Text' modules are visible. Below them is a white 'Insert Module(s)' button. The row itself is highlighted in teal and contains three modules: a dark grey 'MODULE' (with a white 'class' label), a dark grey 'Class' module, and another dark grey 'Class' module. Each module has a close button on its right. Below the row is a teal 'Button' module. At the bottom left of the row area is an 'Add Row' button. The word 'ROW' is written in large, light teal letters on the right side of the workspace.

This screenshot shows a design tool interface with a blue background. On the left, there is a vertical toolbar with icons for undo, redo, and a close button. The main workspace contains a vertical stack of four rows. Each row has a dark blue header bar with a close button on the right. The rows contain the following modules: 'Text', 'Text', 'Text', and 'Button'. Below the stack is a blue 'Insert Module(s)' button. At the bottom left is an 'Add Row' button. The word 'SECTION' is written in large, light blue letters on the right side of the workspace.

Huiswerk voor les 3

1. Zorg dat de volgende onderdelen klaar zijn:
 - a. Definitief wire frame
 - b. Pagina's aangemaakt
 - c. Menu aangemaakt
2. Zorg dat je alle info hebt, dus teksten en beeldmateriaal, voor de pagina's [Contact](#) en [Over ons/About us](#).
